

# Certificate of Compliance

This certifies that the software described below:

- Complies with the design criteria of the Shimadzu Corporation.
- Has been tested and verified by the individual signatory representing Shimadzu Quality Assurance.
- Has been found to meet or exceed the documented specifications pertaining to software development.

Test procedures and documentation protocols are developed to adhere to Shimadzu's ISO 9001 Management System. The procedures have been reviewed and accepted by a committee consisting of Quality Assurance, R&D and Senior Management.
